Prior to this course, rate yourself in terms of your comfort with and knowledge of technology such as Skype, Zoom, recording video, resizing /converting files from one format to another, uploading photos, using Google docs, Blackboard/Moodle, etc. <u>Please select one.</u>

1 = Novice (no prior knowledge or use of any of this technology)

2 = Familiar with two or three but still need assistance with most tasks

3 = Familiar with nearly all and little assistance needed

4 = Familiar with all and no assistance required

Now that you have completed the COIL module of your course, would you change your rating above? If so, to what?

Yes. 1 2 3 4 No.

Please state your initial attitude towards the COIL module (ie, before you started). You may select more than one answer.

□ I had no interest in this whatsoever, and I resented that it was required of me.

□ I had no interest, but I didn't mind that I had to do it.

□ I was interested in it, but I was nervous about working with strangers.

□ I was interested in it, but I was nervous about the technology.

□ I was really excited and looking forward to it, but I was nervous about working with strangers.

□ I was really excited and looking forward to it, but I was nervous about the technology.

□ I was really excited and looking forward to it.
